

AMENDMENTS TO THE MARINE PERSONNEL REGULATIONS

STANDING COMMITTEE ON PERSONNEL CMAC - APRIL 2012

RDIMS#: 7469831

MPR – NEW DEFINITIONS

Able seafarer deck means a rating qualified in accordance with the provisions of regulation II/5 of the Convention. (*marin qualifié pont*)

Able seafarer engine means a rating qualified in accordance with the provisions of regulation III/5 of the Convention. (*marin qualifié machine*)

Certificate of Competency means a certificate issued and endorsed for masters and officers in accordance with the *Marine Personnel Regulations* and entitling the lawful holder thereof to serve in the capacity and perform the functions involved at the level of responsibility specified therein. (*brevet de capacité*)

‘CoP’ or ‘Certificate of proficiency’ means a certificate, other than a certificate of competency issued to a seafarer, stating that the relevant requirements of training, competencies or seagoing service in the STCW Convention have been met. (*CA ou Certificat d’aptitude*)

MPR – NEW DEFINITIONS

Documentary evidence means documentation, other than a certificate of competency or certificate of proficiency, used to establish that the relevant requirements of the STCW Convention have been met. (*preuve documentaire*)

Electro-technical officer means an officer qualified in accordance with the provisions of regulation III/6 of the STCW Convention. (*officier électrotechnicien*)

Electro-technical rating means a rating qualified in accordance with the provisions of regulation III/7 of the STCW Convention. (*matelot électrotechnicien*)

Function means a group of tasks, duties and responsibilities, necessary for vessel operation, safety of life at sea or protection of the marine environment. (*fonction*)

MPR – NEW DEFINITIONS

Limited waters means waters within 200 nautical miles from shore or above the continental shelf, limited to the waters contiguous to Canada, United States (except Hawaii) and St-Pierre and Miquelon including on the west coast of Canada the waters up to Cobb-Eickelberg seamount chain at not more than 260 nautical miles from shore. (*eaux limitées*)

Month means a calendar month or 30 days made up of periods of less than one month. (*mois*)

Officer means a member of the crew, other than the master, designated as such by national law or regulations or, in the absence of such designation, by collective agreement or custom. (*officier*)

MPR – NEW DEFINITIONS

Ro-ro vessel that is a passenger-carrying vessel means a vessel with ro-ro spaces or special category spaces as defined in the International Convention for the Safety of Life at Sea, 1974 (SOLAS), as amended. (*bâtiment roulier*)

STCW-F Convention means the International Convention on Standards of Training, Certification and Watchkeeping for Fishing Vessel Personnel, 1995, as amended. (*Convention STCW-F*)

Unlimited waters means waters that are not limited waters. (*eaux illimitées*)

MPR – NEW DEFINITIONS

Continental shelf has the same meaning as in the Oceans Act. (*plateau continental*)

Immediate responsibility means a person being in a decision-making capacity with respect to loading, discharging or securing cargo, care and transit, handling of cargo, tank cleaning or other cargo related operations, closing hull openings, ensuring passenger safety in emergency situations or assisting in embarking or disembarking passengers. (*directement responsable*)

MPR - NEW CERTIFICATES OF COMPETENCY

| | |
|--|--|
| Master 3000 Gross Tonnage, unlimited voyage | Watchkeeping Mate of a Fishing vessel of less than 24m in length |
| Small vessel operator | Certificate of Service as Watchkeeping Mate, Fishing vessel of less than 24m in length |
| Fishing Master, unlimited waters; | Fourth-class Engineer , Motor Vessel, Domestic |
| Fishing Master, limited waters; | Fourth-class Engineer, Steam Vessel, Domestic |
| Fishing Master, fishing vessel of less than 45 metres in length, limited waters; | Electro-technical officer |
| Officer, Fishing vessel, Unlimited Waters | Small Vessel Machinery Operator, , Steam Vessel |
| Officer, Fishing Vessel of less than 45 metres in length, limited waters | Able Seafarer engine |
| Fishing Master, Fourth Class, limited waters | Electro-technical rating |

MPR – NEW CERTIFICATE OF PROFICIENCY

| | |
|---|--|
| Basic Training for oil and chemical tanker cargo operations | Fast Rescue Boats |
| Basic training for liquefied gas tanker cargo operations | Survival Craft and Rescue Boats Other Than Fast Rescue Boats |
| Advanced training for oil tanker cargo operation | Advanced fire fighting |
| Advanced training for chemical tanker cargo operation | Marine basic first aid |
| Advanced training for liquefied gas tanker cargo operation | Marine advanced first aid |
| STCW basic safety | Medical Care |

MPR – NEW ENDORSEMENTS

| | |
|---|---|
| Chief Engineer, Motor Vessel up to 2,000 kW, Domestic Endorsement | Air Cushion Vehicle (ACV) Engineer, Class I; |
| Chief Engineer, Steam Vessel up to 2,000 kW, Domestic Endorsement | Air Cushion Vehicle (ACV) Engineer, Class II; |
| Continuous proficiency in marine emergency duties | High-Speed Craft (HSC) Type Rating; |
| Endorsement attesting the recognition of a certificate | Air Cushion Vehicle (ACV) Type Rating; |

PERIOD OF VALIDITY OF TRAINING COURSES FOR OBTAINING A NEW CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 103)

This section was re-written based on the principles of maintaining competencies in MED valid as per the STCW Convention.

A CoC or endorsement that requires the completion of any of the following training courses, can only be issued if the course was successfully completed within the 5 years before the date of issuance of the CoC or endorsement:

- MED with respect to:
 - basic safety;
 - small passenger vessel safety;
 - small seasonal passenger vessel safety (certificated personnel);
 - small seasonal passenger vessel safety (non certificated personnel);
- Simulated Electronic Navigation;
- Propulsion Plant Simulation; and

PERIOD OF VALIDITY OF TRAINING COURSES FOR OBTAINING A NEW CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 103)

- MOU with respect to
 - basic offshore survival
 - stability, MOU/Self elevating
 - stability and ballast control, MOU/Surface
 - hydrogen sulphide (H₂S) training; and
 - supervisor, offshore well control
 - command and control and management of major emergencies training course

PERIOD OF VALIDITY OF TRAINING COURSES FOR OBTAINING A NEW CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 103)

If the applicant completed a course referred to in the previous slides more than 5 years before the date of issuance of the CoC or endorsement, then the following equivalency will be accepted:

- a) Refresher training course within the 5 years;
- b) 12 months sea service / 5 years;
- c) 3 months sea service / 12 months; or
- d) 24 months / 5 years as an approved instructor delivering an equivalent or superior course to the training course required.

PERIOD OF VALIDITY OF TRAINING COURSES FOR OBTAINING A NEW CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 103)

A CoC, CoP or endorsement that requires the completion of the following MED training courses, can only be issued if the course was successfully completed within the 5 years before the date of issuance of the CoC, CoP or endorsement:

- a) MED with respect to STCW Basic Safety;
- b) MED in Proficiency in survival craft and rescue boats other than fast rescue boats;
- c) MED in advanced Fire Fighting.

PERIOD OF VALIDITY OF TRAINING COURSES FOR OBTAINING A NEW CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 103)

If the applicant completed a course referred to in the previous slide more than 5 years before the date of issuance of the CoC, CoP or endorsement:

- a training certificate indicating that they have successfully completed a refresher training course in that subject within the 5 years before the issuance of the new CoC, CoP or endorsement.

PERIOD OF VALIDITY OF TRAINING COURSES FOR OBTAINING A NEW CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 103)

Section 103 will not apply to obtain the following CoC's:

- ✓ Master Limited for a vessel of 60 gross tonnage or more;
- ✓ Master Limited for a vessel of less than 60 gross tonnage;
- ✓ Certificate of service as master of a fishing vessel of less than 60 gross tonnage;
- ✓ Certificate of service as Watchkeeping Mate of a fishing vessel of less than 24 metres in length; and
- ✓ Small Vessel Operator.

RENEWALS OF CERTIFICATES OF COMPETENCY (SECTION 106 – NAUTICAL CERTIFICATES)

For the renewal of a CoC referred to in the attached document, the applicant shall meet one of the following requirements:

- a) Acquire the following service:
 - (i) In the case of a CL+60, CL-60, CM+60 or CM-60, provide the examiner with:
 - ✓ proof that he has **acquired at least two operating seasons** on one or more vessels, within the 5 years before the application date; or
 - ✓ proof that he has acquired **at least one operating season** on one or more vessels, in the 12 month period of the application date.

RENEWALS OF CERTIFICATES OF COMPETENCY (SECTION 106 – NAUTICAL CERTIFICATES)

- (ii) In the case of a FM4LW, WKMFV24M, CSFVOOW24M or SFV60 CoC, provide the examiner with:
- ✓ proof that he has acquired **at least two fishing seasons** on one or more fishing vessels, within the 5 years before the application date; or
 - ✓ proof that he has acquired **at least one fishing season** on one or more fishing vessels, in the 12 month period of the application date

RENEWALS OF CERTIFICATES OF COMPETENCY (SECTION 106 – NAUTICAL CERTIFICATES)

(iii) In the case of all other certificates:

- ✓ Acquired 12 months sea service / 5 years;
- ✓ Acquired 3 months sea service in the last **6 months**;
- ✓ 24 months of service / 5 years performing duties in a marine-related position as indicated in the MPR; or
- ✓ An equivalent pro-rated combination of the above requirements.

RENEWALS OF CERTIFICATES OF COMPETENCY (SECTION 106 – NAUTICAL CERTIFICATES)

- b) Hold a valid CoP related to MED's or a Continued Proficiency in MED at the level applicable to the certificate sought to be renewed and have passed within the 5 years before the application date for renewal:
 - (i) in the case of a CL+60, CL-60, CM+60 or CM-60 CoC, **a practical or oral** examination on general seamanship applicable to the vessel in respect of which renewal of the certificate is sought, in accordance with the vessel's gross tonnage;

RENEWALS OF CERTIFICATES OF COMPETENCY (SECTION 106 – NAUTICAL CERTIFICATES)

- (ii) in the case of a FM4LW, WKMFV24M, CSFVOOW24M or SFV60 CoC, **a training course in Small Vessel Operator**;

- (ii) in the case of any other certificate listed on the attached document, **a written examination on navigation safety and an oral examination on general seamanship**; or

RENEWALS OF CERTIFICATES OF COMPETENCY (SECTION 106 – NAUTICAL CERTIFICATES)

- c) Hold a valid CoP related to MED's or a Continued Proficiency in MED at the level applicable to the certificate sought to be renewed; and
 - (i) provide the examiner with a training certificate indicating that they have successfully completed, within the 5 years before the application date for renewal **a refresher training course in vessels operations**

RENEWALS OF CERTIFICATES OF COMPETENCY (SECTION 107 – ENGINEERING CERTIFICATES)

Sections 108 and 109 of the MPR

Section 108: Renewal requirements for (SOTO, SOTO-ARCTIC, SCTO and SLGTO CoC's.

Section deleted. The renewal requirements were transferred to sections 161(2) to 164 (2).

Section 109: Renewal requirements for PSM and S-PSM

Section deleted. Training for PSM and S-PSM will be introduced in Section 205 of the MPR.

APPLICATIONS (SECTION 110)

110.1 APPLICATION FOR EXAMINATION AND ELIGIBILITY

- (1) An applicant for an examination towards a certificate of competency or endorsement shall provide the following to the examiner, at least two weeks before the examinations referred to in these Regulations that the applicant seeks to take:
 - (a) a signed application containing the information and declarations set out in Schedule 2 to this Part
 - (b) satisfactory proof of his/her identity as stipulated in TP 2293;
 - (c) submit all documents required for the application for the examination as established in Chapter ?? of TP 2293; and
 - (d) Complete and sign the TC Form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form for the purpose of the administration of an examination.

APPLICATIONS (SECTION 110)

- 110.1 (2) An applicant, in order to be eligible for an examination, shall pay the applicable fees set out in column 2 of the table to subsection 121(1) each time the applicant takes the examination.

APPLICATIONS (SECTION 110)

110.2 APPLICATION FOR THE ISSUANCE OR RENEWAL OF A CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT

- (1) Unless otherwise indicated in these Regulations, an applicant for the issuance or renewal of a certificate of competency, certificate of proficiency or an endorsement issued under these Regulations shall:
- (a) be at least 18 years of age on the day on which they receive the certificate of competency, certificate of proficiency or endorsement;
 - (b) have started to acquire the sea service required to obtain the certificate or endorsement after having reached 16 years of age or, in the case of service acquired on a fishing vessel in respect of an application for a fishing certificate, 15 years of age;
 - (c) provide satisfactory proof of his/her identity;

APPLICATIONS (SECTION 110)

- d) provide satisfactory proof of Canadian citizenship or permanent residency in Canada;
 - e) submit all documents required for the application for a certificate of competency, certificate of proficiency or endorsement as established in Chapter ?? of TP 2293; and
 - f) Complete and sign TC form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form including, a facial image, and signature for the purpose of issuing or renewing a certificate of competency, certificate of proficiency or endorsement that conforms to the provisions of Section A-I/2 of the STCW Code.
- 110.2 (2) An applicant, in order to obtain a certificate of competency, certificate of proficiency or endorsement, shall pay the applicable fees set out in column 2 of the table to subsection 121(1) for the certificate or endorsement sought.

APPLICATIONS (SECTION 110)

110.3 APPLICATION FOR A MEDICAL CERTIFICATE

- (1) An applicant for a medical certificate issued under these Regulations shall :
- a) be of at least 16 years of age on the day on which they receive the medical certificate;
 - b) provide satisfactory proof of his/her identity
 - c) provide satisfactory proof of citizenship or permanent residency
 - d) Inform the marine medical examiner of the last date that a medical examination was conducted under Division 8 of these regulations and the outcome of the medical examination that was conducted;
 - e) Inform the marine medical examiner of any medical condition that influences the issuance of validity of a medical certificate;

APPLICATIONS (SECTION 110)

f) Complete and sign TC form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form including, a facial image, and signature for the purpose of issuing a medical certificate that conforms to the provisions of Section A-I/9 of the STCW Code;

110.3 (2) Pay the applicable fees set out in column 2 of the table to subsection 121(1) each time the applicant takes the examination

APPLICATIONS (SECTION 110)

110.4 APPLICATION FOR AN ASSESSMENT OF QUALIFICATIONS

- (1) An applicant for an assessment of qualifications under these Regulations shall :
- a) be a qualified person;
 - b) provide satisfactory proof of Canadian citizenship or permanent residency in Canada;
 - c) provide a certified copy of the non Canadian Maritime Document to be assessed as established in Chapter ?? of TP 2293;
 - d) submit all documents required for an assessment of qualifications as established in Chapter ?? of TP 2293; and

APPLICATIONS (SECTION 110)

e) Complete and sign the TC Form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form for the purpose of the assessment of qualifications.

110.4 (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for an assessment of qualifications.

APPLICATIONS (SECTION 110)

110.5 APPLICATION FOR A LETTER OF DISPENSATION

- (1) An applicant for a letter of dispensation issued under these Regulations shall:
 - a) be of at least 18 years of age on the day on which they receive the letter of dispensation;
 - b) provide satisfactory proof of his/her identity;
 - c) provide satisfactory proof of citizenship or permanent residency;
 - d) submit all documents required for the application as established in Chapter ?? of TP 2293 ; and

APPLICATIONS (SECTION 110)

f) Complete and sign the TC Form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form for the purpose of the assessment and issuance of a letter of dispensation.

110.5 (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.6 APPLICATION FOR A REPLACEMENT OF A CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR AN ENDORSEMENT EXCEPT FOR A CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR AN ENDORSEMENT LOST OWING TO SHIPWRECK

- (1) An applicant shall:
- a) provide satisfactory proof of identity;
 - b) provide satisfactory proof of Canadian citizenship or permanent residency in Canada;
 - c) submit all documents required for the application as established in Chapter ?? of TP 2293;

APPLICATIONS (SECTION 110)

d) Complete and sign TC form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form including, a facial image, and signature for the purpose of replacing a certificate of competency, certificate of proficiency or endorsement that conforms to the provisions of Section A-I/2 of the STCW Code; and

110.6 (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.7 APPLICATION FOR A DISCHARGE BOOK

(1) An applicant shall:

- a) provide satisfactory proof of identity;
- b) provide satisfactory proof of citizenship or permanent residency;
- c) Complete and sign an original of the TC form #82-0418 *Request for Seafarer Document*;
- d) Complete and sign TC form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form including, a facial image, and signature for the purpose of issuing a discharge book that conforms to the provisions of the Canada shipping Act, 2001; and

APPLICATIONS (SECTION 110)

- e) Provide:
 - (i) Proof of authenticated employment, the applicant should present a letter signed by the authorized representative of the vessel, seafarer recruitment and placement service or a seafarer's union, stating that an offer of employment has been made;
 - (ii) Proof of registration in an approved cadet training program at a recognized institution; or
 - (iii) Proof of acceptance through the direct entry process.

110.7 (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application for a discharge book.

APPLICATIONS (SECTION 110)

110.8 APPLICATION FOR A RECORD OF QUALIFICATIONS BOOK

- (1) An applicant shall:
 - a) provide satisfactory proof of identity;
 - b) provide satisfactory proof of Canadian citizenship or permanent residency in Canada;
 - c) complete and sign an original of the TC form #82-0418 *Request for Seafarer Document*; and
 - d) complete and sign TC form # 82- _____ that indicate that the applicant consent to the collection and storage of personal information contained in the form including, a facial image, and signature for the purpose of issuing a record of qualifications book that conforms to the provisions of Section A-I/2 of the STCW Code.

APPLICATIONS (SECTION 110)

- 110.8 (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application for a record of qualifications book.

APPLICATIONS (SECTION 110)

110.9 APPLICATION FOR A SEAFARER INDENTITY DOCUMENT (C-185)

- (1) An applicant shall:
 - a) Complete and sign an original of the TC form #82-0699 – *Application for a seafarers' identity document (C-185)* that indicate the applicant consent to the collection and storage of personal information contained in the form including, a facial image, signature and fingerprints for the purpose of issuing a seafarers' identity document that conforms to the provisions of Article 3 of the *Seafarers' Identity Documents Convention (Revised), 2003*, of the *International Labour Organization*;
 - b) Provide satisfactory proof of identity;

APPLICATIONS (SECTION 110)

c) Provide satisfactory proof of Canadian citizenship or permanent residency; and

110.9 (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.10 APPLICATION FOR A SEAFARER INDENTITY DOCUMENT (C-108)

- (1) An applicant shall:
 - a) Complete and sign an original of the TC form #82-0418 *Request for Seafarer Document* that indicate that the applicant consent to the collection and storage of personal information contained in the form for the purpose of issuing a seafarers' identity document (C-108);
 - b) Provide satisfactory proof of identity;
 - c) Provide satisfactory proof of Canadian citizenship or permanent residency;

APPLICATIONS (SECTION 110)

d) Provide two passport size photos.

110.10 (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.11 APPLICATION FOR A SEAFARER RECRUITMENT AND PLACEMENT SERVICE LICENCE

- (1) The authorized representative shall:
 - a) Provide documentary evidence demonstrating that the seafarer recruitment and placement service is legally registered in Canada; and
 - b) Provide documentary evidence that the requirements of section 305 are met; and
- (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.12 APPLICATION FOR A MARITIME LABOUR CERTIFICATE FOR A CANADIAN VESSEL

- (1) The authorized representative shall:
 - (a) Provide proof of ownership of the vessel for which the application is being made;
 - (b) Provide documentary evidence demonstrating that the authorized representative is operating a Canadian vessel of 500 gross tonnage or more that is engaged on an international voyage other than an inland voyage; and
 - (c) Provide documentary evidence demonstrating that the requirements of section 334(1) or (4) are met.
- (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.13 APPLICATION FOR AN INTERIM MARITIME LABOUR CERTIFICATE FOR A CANADIAN VESSEL

- (1) The authorized representative shall:
 - a) Provide documentary evidence demonstrating that the authorized representative is operating a Canadian vessel of 500 gross tonnage or more that is engaged on an international voyage other than an inland voyage; and
 - b) Provide documentary evidence demonstrating that the requirements of section 334(3) or (4) are met; and
 - (i) The vessel has just been registered in Canada; or
 - (ii) There is a new authorized representative of the vessel following a change in ownership of the vessel; and
- (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.14 APPLICATION FOR A MARITIME LABOUR DECLARATIONS OF COMPLIANCE FOR A CANADIAN VESSEL

- (1) The authorized representative shall:
 - a) Provide documentary evidence demonstrating that the authorized representative is operating a Canadian vessel of 500 gross tonnage or more that is engaged on an international voyage other than an inland voyage; and
 - b) Provide documentary evidence demonstrating that the requirements of section 334(1) or 335(2) are met.
- (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.15 APPLICATION FOR AN ENDORSEMENT OF A MARITIME LABOUR CERTIFICATE

- (1) The authorized representative shall pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

APPLICATIONS (SECTION 110)

110.16 APPLICATION FOR APPROVAL TO BE RECOGNIZED AS AN APPROVED INSTITUTION

- (1) The institution shall :
 - a) Provide proof that the institution meets all requirements for the application as indicated in the *Quality Management Manual – Marine Personnel Standards and Pilotage*, in the chapter entitled *Approval to be recognized as an approved institution* and the relevant TP for the course / program sought; and
- (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application

APPLICATIONS (SECTION 110)

110.17 APPLICATION FOR APPROVAL OF A TRAINING PROGRAM, AN ON BOARD TRAINING PROGRAM, A TRAINING PROGRAM FOR FOREIGN ADMINISTRATION, A BLOCK CREDIT COURSE, A TRAINING COURSE OR A COURSE / PROGRAM INSTRUCTOR

- (1) The recognized institution shall submit all documents required for the application as indicated in the *Quality Management Manual – Marine Personnel Standards and Pilotage*, in the chapter entitled *Approval of Marine Training Courses and Programs* and the relevant TP for the course / program sought.
- (2) Pay the applicable fees set out in column 2 of the table to subsection 122(1) for each application.

ELIGIBILITY FOR THE ISSUANCE OF A CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 111)

Changes at sub-section 111(b): For the issuance or renewal of a CoC , CoP or Endorsement, the applicant must hold a valid medical certificate or a valid provisional medical certificate except for the following certificates:

- a) Master, Limited for a vessel of 60 gross tonnage or more;
- b) Master, Limited for a vessel of less than 60 gross tonnage
- c) Chief Mate, Limited for a vessel of 60 gross tonnage or more;
- d) Chief Mate, Limited for a vessel of less than 60 gross tonnage;
- e) Small Vessel operator;
- f) Fishing Master, Fourth Class, limited waters;

ELIGIBILITY FOR THE ISSUANCE OF A CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 111)

- g) Watchkeeping mate of a fishing vessel of less than 24 metres in length;
- h) Service as Watchkeeping Mate of a Fishing Vessel of less than 24 metres in length;
- i) Small vessel machinery operator;
- j) Restricted proficiency in survival craft and rescue boats other than fast rescue boats;
- k) Passenger safety management;
- l) Specialized passenger safety management (ro-ro vessels);
- m) Supervisor of an oil transfer operation;
- n) Supervisor of an oil transfer operation in Arctic waters (North of 60°N);

ELIGIBILITY FOR THE ISSUANCE OF A CERTIFICATE OF COMPETENCY, CERTIFICATE OF PROFICIENCY OR ENDORSEMENT (SECTION 111)

- o) Supervisor of a chemical transfer operation
 - p) Supervisor of a liquefied gas transfer operation;
 - q) Small Vessel Machinery Operator;
 - r) Fourth Class motor or steam, Domestic;
 - s) Chief engineer motor or steam vessel up to 2000 KW, Domestic;
 - t) Second engineer motor or steam vessel up to 2000 KW, Domestic;
 - u) Continued Proficiency in Marine Emergency Duties.
- 111 (2) The Minister may require as a condition for issuing a certificate of competency, certificate of proficiency, endorsement and medical certificate that the applicant consent to the collection and storage of personal information including a facial image and a signature

MPR - SECTIONS

Section 113: Most of the information is transferred to TP 2293

Section 118: Adding the following subsections:

- a) An applicant holding a non-valid certificate of competency, proficiency or endorsement, who acquires sea service on board a vessel or vessels in a position where a certificate of competency, proficiency or endorsement is required by these regulations, the sea service performed by the applicant will not be recognized;

MPR – SECTION 118

- b) An applicant holding a certificate of competency or endorsement, who acquires sea service beyond the validity of the certificate or endorsement held by the applicant at the time of its performance, such service will not be recognized;

- c) An applicant holding a certificate of competency, certificate of proficiency or endorsement and who has been employed onboard a vessel in a capacity beyond the functions and levels of responsibility of the certificate of competency, certificate of proficiency or endorsement held, the sea service performed by the applicant will not be recognized

FEEES FOR EXAMINATIONS AND DOCUMENTS (SECTION 121 AND 122)

- ❖ Amendments to the existing fees (to be determined)
- ❖ Addition of new exams / documents to the tables
- ❖ Section will be deleted from the MPR and covered in the User Fees Regulations

SPECIALIZED TRAINING COURSES

CERTIFICATE OF PROFICIENCY IN FAST RESCUE BOATS

Modified the renewal requirements as follow:

154. (2) An applicant for renewal for a certificate of proficiency in Fast Rescue Boats shall provide the examiner with :
- a) A training certificate as proof of successful completion of a refresher training course in fast rescue boats within the 5 years before the application date for renewal; **or**
 - b)
 - (i) A training certificate as proof of having successfully completed an approved on-board training program in fast rescue boats within the 5 years before the application date for renewal and is documented in an approved training record book; and
 - (ii) Testimonial(s) attesting that the applicant has acquired at least 3 months of sea service, within the 5 years before the application date for renewal, on one or more vessels, and has participated in fast rescue boat drills; and
 - (iii) A training certificate as proof of successful completion of a refresher training course as described in section 16.9 to 16.14, Chapter 16 of TP 4957 within the 5 years before the application date for renewal.

Validity of CoP in FRC: 5 years

CERTIFICATE OF PROFICIENCY IN SURVIVAL CRAFT AND RESCUE BOATS OTHER THAN FAST RESCUE BOATS

Changes in the requirements to obtain a CoP PSC:

155. (1) An applicant for a Cop PSC shall meet the following requirements:
- a) Acquire at least 12 months of sea service, supported by, testimonial(s) attesting to competent participation in boat drills; or
 - b) Acquire at least 6 months of sea service and provide to the examiner a valid training certificate in MED with respect to proficiency in survival craft and rescue boats other than fast rescue boats.

CERTIFICATE OF PROFICIENCY IN SURVIVAL CRAFT AND RESCUE BOATS OTHER THAN FAST RESCUE BOATS

Changes in the requirements to renew a CoP PSC:

155 (2) An applicant for renewal for a CoP PSC shall provide the examiner with a training certificate as proof of successful completion of a refresher training course in MED with respect to Proficiency in Survival Craft and Rescue Boats Other Than Fast Rescue Boats within the 5 years before the application date for renewal.

Validity of CoP in PSC: 5 years

RESTRICTED PROFICIENCY IN SURVIVAL CRAFT AND RESCUE BOATS OTHER THAN FAST RESCUE BOATS

Section 156 (1)

- Removed the requirement to hold a training certificate in Marine Basic First Aid.
- Add an option for examination:

Practical examination on the use of life-saving apparatus, appliances and equipment on board the vessels in respect of which the certificate is sought; **or**

Proof of completion of an approved on-board training program on the use of life-saving apparatus, appliances and equipment on board the vessels.

CERTIFICATE OF PROFICIENCY IN STCW BASIC SAFETY

New section added to the MPR:

Certificate of Proficiency in STCW Basic Safety

- An applicant for a certificate of proficiency in STCW basic safety shall provide to the examiner a valid training certificate in MED with respect to STCW Basic Safety.
- An applicant for a renewal of a certificate of proficiency in STCW basic safety shall provide the examiner with a training certificate as proof of successful completion of a **refresher training course** in MED with respect to STCW basic safety within the 5 years before the application date for renewal.

Validity of CoP in STCW BS: 5 years

CERTIFICATE OF PROFICIENCY IN ADVANCED FIRE FIGHTING

New section added to the MPR:

Certificate of Proficiency in Advanced Fire Fighting

- An applicant for a certificate of proficiency in advanced fire fighting shall provide to the examiner a valid training certificate in MED in advanced fire fighting.
- An applicant for a renewal of a certificate of proficiency in advanced fire fighting shall provide the examiner with a training certificate as proof of successful completion of a **refresher training course** in MED in advanced fire fighting within the 5 years before the application date for renewal.

Validity of CoP in AFF: 5 years

CONTINUED PROFICIENCY IN MARINE EMERGENCY DUTIES

New section added to the MPR:

Continued Proficiency in Marine Emergency Duties

- (1) An applicant for a continued proficiency in marine emergency duties endorsement who holds:
 - a) a STCW certificate;
 - b) a STCW-F certificate;
 - c) a non-STCW certificate except if the applicant holds a certificate of competency referred to in sections ???; or
 - d) an applicant who is not required to hold a certificate of competency under this part but has completed a MED training course; and

CONTINUED PROFICIENCY IN MARINE EMERGENCY DUTIES (CONT'D)

and who is employed on a vessel engaged on a:

- (i) sheltered waters voyage;
- (ii) near coastal voyage class II; or
- (iii) limited contiguous waters voyage

shall provide the examiner with;

- a) a training certificate indicating that they have successfully completed, within the 5 years before the application date for renewal, a refresher training course in marine emergency duties at the level applicable to the certificates sought;

CONTINUED PROFICIENCY IN MARINE EMERGENCY DUTIES (CONT'D)

- b) proof that they have acquired at least 12 months of sea service on board one or more vessels, within the 5 years before the application date for renewal and testimonial(s) attesting the applicant's competent participation or familiarization in emergency drills;
- c) proof that they have acquired at least 3 months of sea service on board one or more vessels, in the 12 month period before the application date for renewal and testimonial(s) attesting the applicant's competent participation or familiarization in emergency drills; or
- d) proof of at least 24 months of service, within the 5 years before the application date for renewal, performing duties at a recognized institution as an approved instructor for a MED course equivalent or superior to the training course required for the certificate sought;

CONTINUED PROFICIENCY IN MARINE EMERGENCY DUTIES (CONT'D)

- (2) An applicant who holds a CL+60, CL-60, 1M+60 or 1M-60, shall provide the examiner with:
- a) a training certificate indicating that they have successfully completed, within the 5 years before the application date for renewal, a refresher training course in marine emergency duties at the level applicable to the certificates sought;
 - b) proof that they have acquired at least two operating seasons on board one or more vessels, within the 5 years before the application date for renewal; or
 - c) proof that they have acquired at least one operating season on board one or more vessels, within the 12 months before the application date for renewal.

CONTINUED PROFICIENCY IN MARINE EMERGENCY DUTIES (CONT'D)

- (3) An applicant who holds FM4LW, WKMFV24, SCFV60 or CSOOW24 shall provide the examiner with:
- a) a training certificate indicating that they have successfully completed, within the 5 years before the application date for renewal, at least a training course in MED with respect to small non-pleasure vessel basic safety;
 - b) proof that they have acquired at least two fishing seasons on one or more vessels, within the 5 years before the application date for renewal; or
 - c) proof that they have acquired at least one fishing season on one or more vessels, within the 12 month period of the application date for renewal

Validity of CP in MED: 5 years

CERTIFICATE OF PROFICIENCY IN MARINE BASIC FIRST AID

New section added to the MPR:

Certificate of Proficiency in Marine Basic First Aid

- (1) An applicant for a certificate of proficiency in marine basic first aid shall provide to the examiner a valid training certificate in marine basic first aid.
- (2) An applicant for renewal of a certificate of proficiency in marine basic first aid shall provide the examiner with a training certificate as proof of successful completion of a **refresher training course** in marine basic first aid within the 5 years before the application date for renewal.

Validity of CoP in MBFA: 5 years

CERTIFICATE OF PROFICIENCY IN MARINE ADVANCED FIRST AID

New section added to the MPR:

Certificate of Proficiency in Marine Advanced First Aid

- (1) An applicant for a certificate of proficiency in marine advanced first aid shall provide to the examiner a valid training certificate in marine advanced first aid.
- (2) An applicant for renewal of a certificate of proficiency in marine advanced first aid shall provide the examiner with a training certificate as proof of successful completion of a **refresher training course** in marine advanced first aid within the 5 years before the application date for renewal.

Validity of CoP in MAFA: 5 years

CERTIFICATE OF PROFICIENCY IN MARINE MEDICAL CARE

New section added to the MPR:

Certificate of Proficiency in Marine Medical Care

- (1) An applicant for a certificate of proficiency in marine medical care shall provide to the examiner a valid training certificate in marine medical care.
- (2) An applicant for renewal of a certificate of proficiency in marine medical care shall provide the examiner with a training certificate as proof of successful completion of a **refresher training course** in marine medical care within the 5 years before the application date for renewal.

Validity of the CoP MMC: 5 years

PASSENGER SAFETY MANAGEMENT AND SPECIALIZED PASSENGER SAFETY MANAGEMENT

Section 157 and 158 have been removed.

Passenger Safety Management and Specialized Passenger Safety Management

The STCW 2010 requirements for the Passenger Safety Management and Specialized Passenger Safety Management are strictly documentary evidence of training for which neither medical fitness nor first aid training are required.

Only training certificates or equivalent will be required as proof of evidence. More details will follow when we complete the review of TP 13024.

The validity of the PSM & S-PSM remains 5 years.

CERTIFICATE OF PROFICIENCY IN BASIC TRAINING FOR OIL AND CHEMICAL TANKER CARGO OPERATIONS

159 (2) Renewal requirements

- Removed option of 24 months as a shore captain or marine superintendent in charge of supervising the loading or unloading of oil or chemical tankers, as it is not permitted by the Convention.

CERTIFICATE OF PROFICIENCY IN BASIC TRAINING FOR LIQUEFIED GAS TANKER CARGO OPERATIONS

160 (2) Renewal requirements

- Removed option of 24 months as a shore captain or marine superintendent in charge of supervising the loading or unloading of liquefied gas tankers, as it is not permitted by the Convention.

SUPERVISOR OF AN OIL TRANSFER OPERATION SECTION 161 (1)

| Item | Requirements | Specifications: |
|------|--|--|
| 1. | Experience: | Acquire within the 5 years before the application date, at least 3 months of qualifying service as part of an approved program in supervision of an oil transfer operation. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">a) Training certificate in STCW basic safety;b) If the applicant is part of an approved program in supervision of an oil transfer operation, a training certificate in an approved program in <i>supervision of an oil transfer operation</i>;c) Unless the applicant meets the requirement set out in item 2 b), a training certificate in <i>advance training for oil tanker cargo operations</i>;d) If the applicant is part of an approved program in supervision of an oil transfer operation, an approved training record book for oil transfer operations. |

SUPERVISOR OF AN OIL TRANSFER OPERATION - SECTION 161 (2)

| Item | Requirements | Specifications: |
|------|--|---|
| 1. | Experience: | <p>If the applicant has not completed a training course with respect to supervision of an oil transfer operation, acquire within the 5 years before the application date for renewal, the following service:</p> <ul style="list-style-type: none">(i) At least 3 months of qualifying service performing duties relating to the loading, discharging or transferring of oil cargo; or(ii) at least 24 months as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of oil cargo; or(iii) having taught at least one approved training course with respect to <i>supervision of an oil transfer operation</i> or <i>advanced training for oil tanker cargo operations</i>, as an approved instructor, at a recognized institution. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">(a) unless the applicant has acquired the experience set out in item 1, a training certificate for a course with respect to <i>supervision of an oil transfer operation</i> or <i>in advanced training for oil tanker cargo operations</i>, obtained within the 5 years before the application date for renewal(b) unless the applicant has acquired the experience set out in item 1(i):<ul style="list-style-type: none">(i) documentary evidence demonstrating that the applicant as performed duties as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of oil cargo, within the 5 years before the application date for renewal or(ii) documentary evidence indicating that the applicant has taught at least one approved training course with respect to <i>supervision of an oil transfer operation</i> or <i>advanced training for oil tanker cargo operations</i> as an approved instructor, at a recognized institution within the 5 years before the application date for renewal. |

SUPERVISOR OF AN OIL TRANSFER OPERATION in ARCTIC WATERS (NORTH OF 60 DEGREES NORTH) SECTION 162 (1)

| Item | Requirements | Specifications: |
|------|--|---|
| 1. | Experience: | No changes. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">(a) If the applicant does not hold a Supervisor of an Oil Transfer Operation certificate:<ul style="list-style-type: none">(i) training certificate in STCW basic safety; and(ii) a training certificate in <i>supervision of an oil transfer operation</i>; or(iii) a training certificate in <i>advance training for oil tanker cargo operations</i> with proof of 3 months of sea service onboard an oil tanker, performing duties relating to the loading, discharging or transferring of cargo and the operation of cargo equipment.(b) If the applicant hold a training certificate in supervision of an oil transfer operation, an approved training record book for oil transfer operations.(c) Documentary evidence indicating that the applicant while holding a supervisor of an oil transfer operation certificate has assisted in at least three oil transfer operations in waters north of 60° N within the 5 years before the application date; or(d) Documentary evidence indicating that the applicant has acquired two Arctic shipping seasons of service, during which the applicant has assisted in at least three oil transfer operations in waters north of 60° N; or(e) Documentary evidence indicating that the applicant has assisted in at least six oil transfer in waters north of 60° N. |

SUPERVISOR OF AN OIL TRANSFER OPERATION IN ARCTIC WATERS (NORTH OF 60 DEGREES N) - SECTION 162 (2)

| Item | Requirements | Specifications: |
|------|---|--|
| 1. | Experience: | <p>If the applicant has not completed a training course with respect to supervision of an oil transfer operation, acquire within the 5 years before the application date for renewal, the following service:</p> <ul style="list-style-type: none">(i) have completed in at least three oil transfer operations in waters north of 60 N;(ii) at least 24 months as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of oil cargo in waters north of 60 N; or(iii) having taught at least one approved training course with respect to <i>supervision of an oil transfer operation</i> or <i>advanced training for oil tanker cargo operations</i>, as an approved instructor, at a recognized institution. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">a) unless the applicant has acquired the experience set out in item 1, a training certificate for a course with respect to <i>supervision of an oil transfer operation</i> or <i>in advanced training for oil tanker cargo operations</i>, obtained within the 5 years before the application date for renewal;b) unless the applicant has acquired the experience set out in item 1(i):<ul style="list-style-type: none">(i) documentary evidence demonstrating that the applicant as performed duties as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of oil cargo in waters north of 60 N, within the 5 years before the application date for renewal or(ii) documentary evidence indicating that the applicant has taught at least one approved training course with respect to <i>supervision of an oil transfer operation</i> or <i>advanced training for oil tanker cargo operations</i> as an approved instructor, at a recognized institution within the 5 years before the application date for renewal. |

SUPERVISOR OF A CHEMICAL TRANSFER OPERATION SECTION 163 (1)

| Item | Requirements | Specifications: |
|------|--|--|
| 1. | Experience: | Acquire within the 5 years before the application date, at least 3 months of qualifying service as part of an approved program in supervision of a chemical transfer operation. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">a) Training certificate in STCW basic safety;b) If the applicant is part of an approved program in supervision of a chemical transfer operation, a training certificate in an approved program in <i>supervision of a chemical transfer operation</i>;c) Unless the applicant meets the requirement set out in item 2 b), a training certificate in <i>advance training for chemical tanker cargo operations</i>;d) If the applicant is part of an approved program in supervision of a chemical transfer operation, an approved training record book for chemical transfer operations. |

SUPERVISOR OF A CHEMICAL TRANSFER OPERATION – SECTION 163 (2)

| Item | Requirements | Specifications: |
|------|--|---|
| 1. | Experience: | <p>If the applicant has not completed a training course with respect to supervision of a chemical transfer operation, acquire within the 5 years before the application date for renewal, the following service:</p> <ul style="list-style-type: none">(i) At least 3 months of qualifying service performing duties relating to the loading, discharging or transferring of chemical cargo; or(ii) at least 24 months as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of chemical cargo; or(iii) having taught at least one approved training course with respect to <i>supervision of a chemical transfer operation or advanced training for chemical tanker cargo operations</i>, as an approved instructor, at a recognized institution. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">(a) unless the applicant has acquired the experience set out in item 1, a training certificate for a course with respect to <i>supervision of a chemical transfer operation or in advanced training for chemical tanker cargo operations</i>, obtained within the 5 years before the application date for renewal;(b) unless the applicant has acquired the experience set out in item 1(i):<ul style="list-style-type: none">(i) documentary evidence demonstrating that the applicant as performed duties as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of chemical cargo, within the 5 years before the application date for renewal or(ii) documentary evidence indicating that the applicant has taught at least one approved training course with respect to <i>supervision of a chemical transfer operation or advanced training for chemical tanker cargo operations</i> as an approved instructor, at a recognized institution within the 5 years before the application date for renewal. |

SUPERVISOR OF A LIQUEFIED GAS TRANSFER OPERATION SECTION 164 (1)

| Item | Requirements | Specifications: |
|------|--|---|
| 1. | Experience: | Acquire within the 5 years before the application date, at least 3 months of qualifying service as part of an approved program in supervision of a liquefied gas transfer operation. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">a) Training certificate in STCW basic safety;b) If the applicant is part of an approved program in supervision of a liquefied gas transfer operation, a training certificate in an approved program in <i>supervision of a liquefied gas transfer operation</i>;c) Unless the applicant meets the requirement set out in item 2 b), a training certificate in <i>advance training for liquefied gas tanker cargo operations</i>;d) If the applicant is part of an approved program in supervision of a liquefied gas transfer operation, an approved training record book for liquefied gas transfer operations. |

SUPERVISOR OF A LIQUEFIED GAS TRANSFER OPERATION – SECTION 164 (2)

| Item | Requirements | Specifications: |
|------|--|--|
| 1. | Experience: | <p>If the applicant has not completed a training course with respect to supervision of a liquefied gas transfer operation, acquire within the 5 years before the application date for renewal, the following service:</p> <ul style="list-style-type: none">(i) At least 3 months of qualifying service performing duties relating to the loading, discharging or transferring of liquefied gas cargo; or(ii) at least 24 months as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of liquefied gas cargo; or(iii) having taught at least one approved training course with respect to <i>supervision of a liquefied gas transfer operation or advanced training for liquefied gas tanker cargo operations</i>, as an approved instructor, at a recognized institution. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">(a) unless the applicant has acquired the experience set out in item 1, a training certificate for a course with respect to <i>supervision of a liquefied gas transfer operation or in advanced training for liquefied gas tanker cargo operations</i>, obtained within the 5 years before the application date for renewal;(b) unless the applicant has acquired the experience set out in item 1(i):<ul style="list-style-type: none">(i) documentary evidence demonstrating that the applicant as performed duties as a shore captain or marine superintendent in charge of supervising the loading, unloading or transferring of liquefied gas cargo, within the 5 years before the application date for renewal or(ii) documentary evidence indicating that the applicant has taught at least one approved training course with respect to <i>supervision of a liquefied gas transfer operation or advanced training for liquefied gas tanker cargo operations</i> as an approved instructor, at a recognized institution within the 5 years before the application date for renewal. |

CERTIFICATE OF PROFICIENCY IN ADVANCED TRAINING FOR OIL TANKER CARGO OPERATION – SECTION 165 (1)

| Item | Requirements | Specifications: |
|------|--|--|
| 1. | Experience: | <p>While holding a <i>Certificate of Proficiency in Basic training for Oil and Chemical Tanker Cargo Operations</i>, have acquired, within the 5 years before the application date:</p> <ul style="list-style-type: none">(a) at least 3 months of service on one or more oil tankers performing duties in cargo transfer operations; or(b) at least one month of sea service within an approved onboard training on oil tankers, in a supernumerary capacity which includes at least three loading and three unloading operations and is documented in an approved training record book. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">(a) a training certificate for an <i>Advanced training course for Oil Tanker Cargo Operation</i>, obtained within the 5 years before the application date for issuance of the certificate;(b) for applicant that acquired the experience set out in item 1(b), an approved documentary evidence demonstrating their knowledge and participation in at least three loading and three unloading operations, completed within the 5 years before the application date for issuance of the certificate of proficiency. |

CERTIFICATE OF PROFICIENCY IN ADVANCED TRAINING FOR OIL TANKER CARGO OPERATION – SECTION 165 (2)

| Item | Requirements | Specifications: |
|------|--|--|
| 1. | Experience: | <p>The following service within the 5 years before the application date for renewal, if the applicant has not obtained the training certificate referred to in item 2:</p> <p>(a) at least 3 months on board one or more oil tankers performing duties relating to the loading, discharging or transferring of cargo and the operation of cargo equipment; or</p> <p>(b) at least 24 months as having taught at least one approved training course in <i>Advanced training course for Oil Tanker Cargo Operations</i> as an approved instructor at a recognized institution.</p> |
| 2. | Certificates to be provided to the examiner: | <p>a) If the applicant has not acquired the experience set out in item 1(a), a training certificate for an <i>Advanced training course for Oil Tanker Cargo Operations</i> obtained within the 5 years before the application date for renewal; or</p> <p>b) A documentary evidence indicating that the applicant has taught at least one approved training course in <i>Advanced training course for Oil Tanker Cargo Operations</i>, as an approved instructor, at a recognized institution within the 5 years before the application date for renewal.</p> |

CERTIFICATE OF PROFICIENCY IN ADVANCED TRAINING FOR CHEMICAL TANKER CARGO OPERATION – SECTION 166 (1)

| Item | Requirements | Specifications: |
|------|--|--|
| 1. | Experience: | <p>While holding a <i>Certificate of Proficiency in Basic training for Oil and Chemical Tanker Cargo Operations</i>, have acquired, within the 5 years before the application date:</p> <ul style="list-style-type: none">(a) at least 3 months of service on one or more chemical tankers performing duties relating to the loading, discharging or transferring of cargo and the operation of cargo equipment; or(b) at least one month of sea service within an approved onboard training on chemical tankers, in a supernumerary capacity which includes at least three loading and three unloading operations and is documented in an approved training record book. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">(a) a training certificate for an <i>Advanced training course for Chemical Tanker Cargo Operation</i>, obtained within the 5 years before the application date for issuance of the certificate;(b) for applicant that acquired the experience set out in item 1(b), an approved documentary evidence demonstrating their knowledge and participation in at least three loading and three unloading operations, completed within the 5 years before the application date for issuance of the certificate of proficiency. |

CERTIFICATE OF PROFICIENCY IN ADVANCED TRAINING FOR CHEMICAL TANKER CARGO OPERATION – SECTION 166 (2)

| Item | Requirements | Specifications: |
|------|---|---|
| 1. | Experience: | <p>The following service within the 5 years before the application date for renewal, if the applicant has not obtained the training certificate referred to in item 2:</p> <ul style="list-style-type: none"> (a) at least 3 months on board one or more chemical tankers performing duties relating to the loading, discharging or transferring of cargo and the operation of cargo equipment; or (b) at least 24 months as having taught at least one approved training course in <i>Advanced training course for Chemical Tanker Cargo Operations</i> as an approved instructor at a recognized institution. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none"> a) If the applicant has not acquired the experience set out in item 1(a), a training certificate for an <i>Advanced training course for Chemical Tanker Cargo Operations</i> obtained within the 5 years before the application date for renewal; or b) A documentary evidence indicating that the applicant has taught at least one approved training course in <i>Advanced training course for Chemical Tanker Cargo Operations</i>, as an approved instructor, at a recognized institution within the 5 years before the application date for renewal. |

CERTIFICATE OF PROFICIENCY IN ADVANCED TRAINING FOR LIQUEFIED GAS TANKER CARGO OPERATION – SECTION 167 (1)

| Item | Requirements | Specifications: |
|------|---|---|
| 1. | Experience: | While holding a <i>Certificate of Proficiency in Basic training for Liquefied gas Tanker Cargo Operations</i> , have acquired, within the 5 years before the application date: (a) at least 3 months of service on one or more liquefied gas tankers performing duties relating to the loading, discharging or transferring of cargo and the operation of cargo equipment; or (b) at least one month of sea service within an approved onboard training on liquefied gas tankers, in a supernumerary capacity which includes at least three loading and three unloading operations and is documented in an approved training record book. |
| 2. | Certificates to be provided to the examiner: | (a) a training certificate for an <i>Advanced training course for Liquefied Gas Tanker Cargo Operation</i> , obtained within the 5 years before the application date for issuance of the certificate; (b) for applicant that acquired the experience set out in item 1(b), an approved documentary evidence demonstrating their knowledge and participation in at least three loading and three unloading operations, completed within the 5 years before the application date for issuance of the certificate of proficiency. |

CERTIFICATE OF PROFICIENCY IN ADVANCED TRAINING FOR LIQUEFIED GAS TANKER CARGO OPERATION – SECTION 167 (2)

| Item | Requirements | Specifications: |
|------|---|--|
| 1. | Experience: | <p>The following service within the 5 years before the application date for renewal, if the applicant has not obtained the training certificate referred to in item 2:</p> <ul style="list-style-type: none">(a) at least 3 months on board one or more liquefied gas tankers performing duties relating to the loading, discharging or transferring of cargo and the operation of cargo equipment; or(b) at least 24 months as having taught at least one approved training course in <i>Advanced training course for Liquefied Gas Tanker Cargo Operations</i> as an approved instructor at a recognized institution. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">a) If the applicant has not acquired the experience set out in item 1(a), a training certificate for an <i>Advanced training course for Liquefied Gas Tanker Cargo Operations</i> obtained within the 5 years before the application date for renewal; orb) A documentary evidence indicating that the applicant has taught at least one approved training course in <i>Advanced training course for Liquefied gas Tanker Cargo Operations</i>, as an approved instructor, at a recognized institution within the 5 years before the application date for renewal. |

NAUTICAL CERTIFICATES

MAJOR CHANGES TRAINING COURSES

- MED D removed from all certificates;
- MED D replaced by a *Leadership and Managerial skills* training course at the level of MM, MNC, M3000U, M3000NC, CM and CMNC;
- Bridge Resource Management (BRM) introduced at the level of MM, MNC, M3000U, M3000NC, CM, CMNC;

MAJOR CHANGES EXAMINATIONS

- ❖ It will be mandatory when it comes to examinations that candidates provide proof that they have completed approved education and training on the examination subject sought or provide the examiner with a training certificate attesting that the applicant has completed an approved training program or a block credit course.
- ❖ The above paragraph does not apply to the *Master and Chief Mate limited certificates* and the *Watchkeeping Mate of a fishing vessel of less than 24 metres in length*.

MAJOR CHANGES EXAMINATION (CONT'D)

- Deviascope examination is removed from the MM and CM level.
- SIM II examination removed from the MPR and will be integrated to the SEN II training course approval. Delegated to the schools;

MAJOR CHANGES SEA SERVICE

**Watchkeeping Mate, Near Coastal,
Watchkeeping Mate, Unlimited, Able Seafarer
& Bridge Watch Rating certificates:**

Sea service acquired on board one or more vessels of at least **500 GT** while the vessels are engaged on voyages other than sheltered waters voyages.

MAJOR CHANGES SEA SERVICE

Any references in the MPR to gross tonnage of less than the amount of 150 will be changed to meters, taking into consideration the impact on the industry.

INTRODUCTION OF NEW CERTIFICATES OF COMPETENCY

1. Master 3000 gross tonnage, Unlimited;
2. Fishing Master, Unlimited Waters;
3. Fishing Master Limited Waters;
4. Fishing Master, Fishing Vessel of less than 45 metres in length, Limited Waters;
5. Officer, Fishing vessel, Unlimited Waters;
6. Officer Fishing vessel of less than 45 metres in length, Limited Waters;
7. Watchkeeping Mate of a fishing vessel of less than 24 metres in length;
8. Certificate of service as Watchkeeping Mate of a fishing vessel of less than 24 metres in length; and
9. Small Vessel Operator.

MASTER 3000 GROSS TONNAGE, UNLIMITED WATERS

| Item | Requirements | Specifications |
|------|--|---|
| 1. | Hold a certificate: | <ul style="list-style-type: none"> a) Chief Mate; b) Chief Mate, Near Coastal; c) Watchkeeping Mate; d) Watchkeeping Mate, Near Coastal; e) Master 3000 Gross Tonnage, Near Coastal. |
| 2. | Experience: | <p>After obtaining a Master 500, Gross Tonnage, Near Coastal certificate, Watchkeeping Mate certificate or a Watchkeeping Mate, Near Coastal certificate, an applicant for a Master 3 000 Gross Tonnage, Unlimited certificate shall acquire the following sea service on board one or more vessels of at least 500 gross tonnage while the vessels are engaged on voyages that are unlimited voyages or near coastal voyages, Class 1, which sea service shall include at least 12 months on voyages outside the great lakes basin and where the distance between extreme ports called at during those voyages is more than 500 nautical miles:</p> <ul style="list-style-type: none"> a) at least 36 months as officer in charge of the deck watch; b) at least 24 months as officer in charge of the deck watch if they have served at least 12 months as master or chief mate; or c) an equivalent prorated combination of the requirements set out in paragraphs (a) and (b). |
| 3. | Certificates to be provided to the examiner: | <ul style="list-style-type: none"> a) CoP in STCW basic safety; b) CoP in survival craft and rescue boats other than fast rescue boats; c) CoP in advanced fire fighting; d) Restricted Operator's Certificate (ROC-MC) issued under the Radiocommunication Act; e) A training certificate in SEN Level II; f) CoP in Marine advanced first aid; g) A training certificate in bridge resource management; and h) A training certificate in Leadership and managerial skill |
| 4. | Pass examinations: | <ul style="list-style-type: none"> a) Communications, level 1; b) Communications, level 1; c) Navigation safety, level 2; d) Meteorology, level 2; e) Ship management, level 3; f) Ship construction and stability, level 4; g) Cargo, level 2; h) Engineering knowledge, level 1; i) Celestial navigation, level 2; and j) Oral examination on general seamanship, after meeting the other requirements of this table. |

SMALL VESSEL OPERATOR

| Item | Requirements | Specifications |
|------|--|--|
| 1. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">a) Training certificate in Small Vessel Operator;b) If the vessel is non passenger -carrying vessel, a training certificate in MED with respect to small non-pleasure vessel basic safety (MED A3);c) If the vessel is a passenger- carrying vessel, a training certificate in MED with respect to small passenger safety (MED A2);d) A training certificate in marine basic first aid; ande) An appropriate Radio Operator Certificate issued under the Radiocommunication Act if the vessel is equipped with a VHF radio-telephone installation. |

The Small Vessel Operator certificate will be valid on the following vessels engaged on a near coastal voyage, class 2 or sheltered waters voyage:

- a) **Non-passenger- carrying vessels of not more than 13 metres in length overall (except tugs); and**
- b) **Passenger-carrying vessels of not more than 13 metres in length overall, carrying not more than 12 passengers.**

NAUTICAL RATING CERTIFICATES

ABLE SEAFARER DECK

| Item | Requirements | Specifications |
|------|--|--|
| 1. | Hold a certificate | Bridge Watch rating |
| 1. | Experience: | While holding a certificate referred to in item 1, while performing deck duties, acquire the following sea service on board one or more vessels of at least <u>500 gross tonnage</u> while the vessels are engaged on voyages other than sheltered waters voyages: a) At least 18 months of sea service; or b) At least 12 months of sea service through an approved training program |
| 2. | Certificates to be provided to the examiner: | a) CoP in STCW basic safety; b) CoP in survival craft and rescue boats other than fast rescue boats; c) Steering testimonial attesting to the applicant's ability to steer and containing the declaration and at least the information set out in Schedule 3 to this Part; and |
| 3. | Pass examinations: | The following examinations on general seamanship, after meeting the other requirements of this table: a) a written examination; and b) a practical examination. |

BRIDGE WATCH RATING

| Item | Requirements | Specifications |
|------|--|--|
| 1. | Experience: | <p>The following sea service performing navigational watchkeeping duties which involves the performance of duties carried out under the direct supervision of the master, the officer of the navigational watch or a qualified rating on board one or more vessels of at least 500 gross tonnage while the vessels are engaged on voyages other than sheltered waters:</p> <ul style="list-style-type: none">a) at least 6 months; orb) at least 2 months if the applicant has successfully completed an approved training program in bridge watchkeeping duties. |
| 2. | Certificates to be provided to the examiner: | <ul style="list-style-type: none">a) CoP in STCW basic safety;b) CoP in survival craft and rescue boats other than fast rescue boats;c) Steering testimonial attesting to the applicant's ability to steer and containing the declaration and at least the information set out in Schedule 3 to this Part; and |
| 3. | Pass examinations: | Written examination on general seamanship, after meeting the other requirements of this table. |

ENGINEERING CERTIFICATES

NEW TRANSITIONAL PERIOD- SECTION 184

184 (1) An applicant who has commenced to:

- a) acquire qualifying service for the certificate sought;**
- b) an approved education and training program ; or**
- c) an approved training course**

before July 01, 2013 to obtain a certificate of competency under the 2007 *Marine Personnel Regulations* may, after complying with the requirements for the delivery of that certificate under those Regulations, obtain the equivalent ranking certificate identified in Schedule 1 to this Part and issued under the 20?? MPR or, if an equivalent ranking certificate does not exist, the certificate of the rank immediately below.

184 (2) Subsection (1) expires January 01, 2017

SCHEDULE 1 – EXCHANGE TABLE

- Introduction of the new certificates
- Amendments to the requirements for exchange
- Introduction of additional requirements for first renewals

NEW PART 4 – SEAFARERS IDENTITY DOCUMENT

New Part 4 added to the MPR:

Seafarers' Identity Document (SID)

- The content and form of the SID conforms to the international requirements as specified in Annex 1 of the ILO's Seafarers' Identity Documents Convention (Revised), 2003 – (ILO C-185)

SEAFARERS' IDENTITY DOCUMENT

- (1) An applicant for a SID (ILO C-185) shall :
 - not have made application for a SID in a country other than Canada
 - not possess a SID issued by a country other than Canada
 - have a valid Transportation Security Clearance (TSC), or make an application for, in accordance with the Marine Transportation Security Regulations
- (2) The SID shall be issued upon notification of granting of the TSC
- (3) The validity period shall be synchronized with the expiry date of the TSC.
